

## Sample Family Sharing Sheet

It is important that schools and families partner for student success. In teaming, it is helpful for teachers to know about students and their families' views about school. Please complete this sheet and return to me. It is suggested that students and family members complete this together. Individual comments can be put in the labeled boxes. Please contact me with any questions or input at any time. I look forward to working with you this year.

Thank you. \_\_\_\_\_, Teacher

I can be reached at: \_\_\_\_\_

Student: \_\_\_\_\_

Date: \_\_\_\_\_

Family Member(s): \_\_\_\_\_

1. What does your student like about school?
2. What are your student's successes in school?
3. What are your student's challenges in school?
4. Does your student feel liked and accepted at school? If not, why not?
